

This bill has important benefits to the Hart Mountain Antelope Refuge, as well. Management of our National Wildlife Refuges can be burdened when there are privately owned lands inside of a refuge boundary, and this measure allows the refuge to take ownership to more than 300 acres of county owned lands inside the refuge. With this acquisition we move closer to the permanent protection of this important Oregon wildlife refuge.

I was pleased to be joined in this effort by Senator GORDON SMITH, and I urge its passage.

Mr. WARNER. Mr. President, I ask unanimous consent that the bill be considered read a third time and passed, the motion to reconsider be laid upon the table, and any statements relating to the bill appear at the appropriate place in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The bill (H.R. 1944) was deemed read the third time and passed.

REGARDING SENATE FLOOR ACCESS FOR INDIVIDUALS WITH DISABILITIES

Mr. WARNER. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of S. Res. 110, which was reported by the Rules Committee.

The PRESIDING OFFICER. The clerk will report.

The legislative clerk read as follows:

A resolution (S. Res. 110) to permit an individual with a disability with access to the Senate floor to bring necessary supporting aids and services.

The PRESIDING OFFICER. Is there objection to the immediate consideration of the resolution?

There being no objection, the Senate proceeded to consider the resolution.

Mr. WYDEN. Mr. President, I first wish to thank the chairman of the Rules Committee, the Senator from Virginia [Mr. WARNER], for his cooperation in moving forward with such an extremely important matter. Because of its significance, I think it would be useful for us to engage in a colloquy to enlighten the Senate further as to the intent of this resolution.

It is my understanding that the purpose of this resolution is to clarify that individuals with disabilities who have been given the privilege of access to the Senate floor under rule XXIII of the Standing Rules of the Senate may bring necessary supporting aids or services onto the floor. This will ensure that the staff of a Senator wishes to have on the floor will not be denied the privilege of the floor because the staffer happens to use a guide dog or a wheelchair. This resolution is intended to be broadly interpreted to cover all individuals with disabilities. Is my understanding correct that this is the purpose of the resolution?

Mr. WARNER. That is correct. By adopting this resolution, the Senate hopes to be a model for the country in

its treatment of individuals with disabilities. The Senate intends to be non-discriminatory and accommodate the needs of individuals with disabilities who may use supporting aids or services. For purposes of this resolution, individuals with disabilities are those who have a physical or mental impairment that substantially limits one or more of the major life activities, and supporting aids and services are not intended to be limited to the illustrative examples provided in the resolution.

Mr. WYDEN. The resolution also contains a condition on the use of supporting aids and services where such use would place a significant difficulty or expense on the operations of the Senate. Is my understanding correct that this undue burden language is intended to apply only in very unusual circumstances, such as where significant architectural modifications might be necessary?

Mr. WARNER. That is correct. This modifying language would apply only in extreme circumstances.

Mr. WYDEN. I have one final question: is my understanding correct that the Rules Committee has written a letter of guidance to assist the Sergeant at Arms in interpreting and implementing this resolution?

Mr. WARNER. That is correct. The Rules Committee will send a letter of guidance to the Sergeant at Arms that should be used in interpreting the resolution.

Mr. WYDEN. I again want to express my appreciation to the Senator from Virginia, the chairman of the Rules Committee, for his commitment to this issue and thank the Rules Committee for moving this resolution to the floor.

Mr. WARNER. Mr. President, I ask unanimous consent that the resolution be agreed to, the motion to reconsider be laid upon the table, and that any statements relating to the resolution appear at the appropriate place in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Res. 110) was agreed to as follows:

S. RES. 110

Resolved, That an individual with a disability who has or is granted the privilege of the Senate floor under rule XXIII of the Standing Rules of the Senate may bring necessary supporting aids and services (including service dogs, wheelchairs, and interpreters) on the Senate floor, unless the Senate Sergeant at Arms determines that the use of such supporting aids and services would place a significant difficulty or expense on the operations of the Senate in accordance with paragraph 2 of rule 4 of the Rules for Regulation of the Senate Wing of the United States Capitol.

The PRESIDING OFFICER. Without objection, it is so ordered. The clerk will report.

The legislative clerk read as follows:
